AREN BUSINESS SOLUTIONS

"Intelligent Automation Platform"

https://arenbusiness.co.in

Sector: Information Technology

Incubated Since: 2023

Current Stage: Platform ready, currently in the market entry stage.

The Challenge: There are a lot of repetitive tasks in HR, IT, Customer Support, Operations, Accounting, Finance, Marketing, Sales, Procurement & Legal functions in Manufacturing, Pharma, Banking, Insurance, EduTech, Retail, Automotive, Telecom, Shipping, Logistics, Real-Estate & E-Commerce which use up valuable man hours.

The Innovation: Cloud native, intelligent automation platform that empowers business users to automate computer tasks with zero coding and with enterprise grade security. Uses machine learning models to learn as it automates.
